#### **BASIS FOR RELIEF REQUESTED**

26. Section 331 of the Bankruptcy Code provides that a professional retained under section 327 of the Bankruptcy Code may apply to the Court for an interim award of compensation or reimbursement of expenses not more than once every 120 days, unless the court permits more frequent applications. 11 U.S.C. § 331. This is A&M's first application for an interim award of compensation and expenses.

27. The standards for a final award of compensation and expenses under § 330 also govern an interim application. 11 U.S.C. § 331. Section 330(a)(1) permits an award of either:

- i. “[R]easonable compensation for actual, necessary services rendered”; and
- ii. “[R]eimbursement for actual, necessary expenses.”

28. Section 330 further provides guidance as to the relevant considerations for analyzing whether the requested compensation is reasonable:

(3) In determining what constitutes reasonable compensation...the court shall consider the nature, the extent, and the value of such services, taking into account all relevant factors, including –

1. The time spent on such services;
2. The rates charges for such services;
3. Whether the services were necessary to the administration of, or beneficial at the time at which the service was rendered toward the completion of, a case under this title;

4. whether the services were performed within a reasonable amount of time commensurate with the complexity, importance, and nature of the problem, issue, or task addressed;
5. with respect to a professional person, whether the person is board certified or otherwise has demonstrated skill and experience in the bankruptcy field; and
6. whether the compensation is reasonable based on the customary compensation charged by comparably skilled practitioners in cases other than cases under this title.

11 U.S.C. § 330(a)(3)(A)–(F)

**RELIEF REQUESTED**

29. A&M seeks an interim award for services rendered and expenses incurred from June 27, 2023, through and including October 31, 2023.

30. Specifically, A&M seeks an interim award of fees in the amount of \$1,885,644.00 in professionals' fees and \$367.64 in expenses for a total award of compensation in the amount of \$1,886,011.64 incurred for professional services rendered during the Application Period. A&M hereby seeks full interim allowance of its fees and expenses incurred during the Application Period and authorization for the Debtors to pay the balance same, less amounts already paid pursuant to the Administrative Fee Order.

31. As set forth within this Application, A&M has maintained records indicating the name of each professional, the time spent working on a matter, and the nature of the work performed. The records were made contemporaneously with the rendition of services.

32. A&M respectfully submits that the hourly rates for each professional involved in this matter, as well as the awards requested herein, are reasonable under the circumstances. Time spent was kept to the minimum reasonably necessary to render effective service. There has been minimal, if any, duplication of services.

33. Various personnel of A&M worked on the matters in this bankruptcy case

depending on the expertise required. Richard Newman has served as the lead professional in this case, working closely with other personnel of A&M.

34. The Affidavit of Richard Newman is annexed hereto as Exhibit D, which is submitted in accordance with the provisions of Section 504 of the Bankruptcy Code.

35. A&M submits that the fees and expenses requested herein are reasonable and necessary given the issues encountered in this case.

**WHEREFORE**, A&M respectfully requests that the Court:

1. Award interim compensation in the amount of \$1,885,644.00 in professionals' fees and \$367.64 in expenses for a total award of compensation in the amount of \$1,886,011.64;
2. Authorize and direct the Debtors to pay such compensation, less any amount already paid pursuant to the Administrative Fee Order, per 11 U.S.C. §§ 330 and 331;
3. Afford A&M such other and further relief as the Court deems just and proper.

indemnify A&M pursuant to the indemnification provisions included in the Application are subject to the following:

(a) all requests by A&M for the payment of indemnification as set forth in this Order shall be made by means of an application to the Court and shall be subject to review by the Court to ensure that payment of such indemnity conforms to the terms of the Application and this Order and is reasonable under the circumstances of the litigation or settlement in respect of which indemnity is sought; provided, however, that in no event shall A&M be indemnified if the Debtors or a representative of the estate, asserts a claim for, and a court determines by final order (which final order is no longer subject to appeal) that such claim arose out of A&M's own bad faith, self-dealing, breach of fiduciary duty, fraud, gross negligence or willful misconduct; and

(b) in no event shall A&M be indemnified for any claim that either (i) a court determines by final order (which final order is no longer subject to appeal) that such claim arose out of A&M's own bad faith, self-dealing, breach of fiduciary duty (if any), fraud, gross negligence, or willful misconduct; (ii) for a contractual dispute in which the Debtors allege the breach of an indemnified party's contractual obligations if the Court determines that indemnification, contribution or reimbursement would not be permissible pursuant to *In re United Artists Theatre Company*, 315 F.3d 217 (3d Cir. 2003); or (iii) the claim is settled prior to a judicial determination as to clauses (i) or (ii), but is determined by this Court, after notice and a hearing pursuant to terms of the Application and this Order, to be a claim or expense for which A&M is not entitled to receive indemnity under the terms of the Application and this Order; and

(c) in the event A&M seeks reimbursement from the Debtors for attorneys' fees and expenses in connection with the payment of an indemnity claim pursuant to this Order, the invoices and supporting time records from such attorneys shall be included in A&M's own

applications, both interim and final, and such invoices and time records shall be subject to the United States Trustee's Guidelines for compensation and reimbursement of expenses and the approval of the Court pursuant to sections 330 and 331 of the Bankruptcy Code without regard to whether such attorneys have been retained under section 327 of the Bankruptcy Code and without regard to whether such attorneys' services satisfy section 330(a)(3)(C) of the Bankruptcy Code.

4. All parties-in-interest shall retain the right to object to (1) any demand by the indemnified parties for indemnification, contribution, or reimbursement; and (2) any request for reimbursement of legal fees of A&M's independent legal counsel.

5. A&M shall file applications for interim and final allowance of compensation and reimbursement of expenses pursuant to the procedures set forth in Bankruptcy Code sections 330 and 331, such Bankruptcy Rules as may then be applicable, the Local Bankruptcy Rules, the Guidelines, and the Court's Interim Compensation Order and any amendments or modifications thereto.

6. A&M will keep its time records in tenth-of-an-hour increments in accordance with Local Rule 2016-1 of this Court and shall otherwise comply with the requirements of that Local Rule, as well as Bankruptcy Rule 2016(a), and the United States Trustee Fee Guidelines.

7. A&M will only bill 50% for non-working travel.

8. Notwithstanding any other provision in this Order, the U.S. Trustee shall have the right to object to A&M's request(s) for interim and final compensation and reimbursement based on the reasonableness standard provided in section 330 of the Bankruptcy Code rather than section 328(a) of the Bankruptcy Code. This Order and the record relating to the Court's consideration of the Application shall not prejudice or otherwise affect the rights of the U.S. Trustee to challenge the reasonableness of A&M's fees under the standard set forth in the preceding sentence.

Accordingly, nothing in this Order or the record shall constitute a finding of fact or conclusion of law binding on the U.S. Trustee, on appeal or otherwise, with respect to the reasonableness of A&M's fees.

9. Notwithstanding anything in the Application to the contrary and for the avoidance of doubt, A&M will not be entitled to recover attorneys' fees or expenses for defending its fee applications in these Chapter 11 Cases.

10. The Committee will coordinate with A&M and its other retained professionals to minimize unnecessary duplication of the services provided by any of its retained professionals.

11. Prior to charging any increases in its hourly rates, A&M shall provide ten (10) business days' notice of any such increases to the Debtors, the U.S. Trustee, and the Committee, and shall file such notice with the Court. The U.S. Trustee retains all rights to object to any rate increase on all grounds, including the reasonableness standard set forth in section 330 of the Bankruptcy Code, and the Court retains the right to review any rate increase pursuant to section 330 of the Bankruptcy Code

12. To the extent that there may be any inconsistency between the terms of the Application and this Order, the terms of this Order shall govern.

13. The Committee and A&M are authorized to take all actions necessary to effectuate the relief granted pursuant to this Order in accordance with the Application.

14. The terms and conditions of this Order shall be immediately effective and enforceable upon its entry.

15. Notice of the Application as provided therein is deemed to be good and sufficient notice of such Application, and the requirements of the Bankruptcy Rules and the Local Bankruptcy Rules are satisfied by the Application.

16. This Court shall retain jurisdiction with respect to all matters arising or related to the implementation of this Order and A&M's services for the Committee.
